

S U M M E R T E R M

NEWSLETTER

We would like to use this opportunity to say to all the Mon PERE children leaving us this summer term, that it was a pleasure having you spend a lovely time with us, and we wish you all the best as you move on to the next stage of your education.

OUTINGS

From next term we will gradually introduce story time on a boat with the Dudley Canal trust. This activity would last for about 20mins where the children will be accompanied by me on a boat ride singing rhymes and enjoying stories too. This activity will fall on Wednesday mornings but will not be on a weekly basis. As it is on the same day as Rattle and Rhyme, we will split the children into 2 groups and rotate attendance so that every Mon PERE child will get to enjoy both experiences. This will help them develop in all 7 areas of learning as we will be learning while on the go.

ADHOC CARE

From the new term (September 5th), ad hoc care will be restricted to weekends and night care only. We would no longer be providing adhoc care services during the week. Only permanent places will be available from Monday-Friday. This is to enable us to have a structured timetable, routine and to ensure continuity of our children's learning and development.

FUNDED PLACES

Parents accessing the EEF funding (15hrs or 30hrs or time for 2's) are now required to pay for their child's meal. Breakfast is £2.00 per day, lunch would be £2.50 per day and dinner will cost £3 per day. This will take effect from September 2022. Payment for meals is to be made weekly in advance.

BABY'S DAYS

Parents/carers should please sign their child's attendance register at the end of each week. It is very important. There is a new option where you can record your child's daily attendance yourself. If you would like to access this option kindly let us know so we can set you up on the system.

Please endeavour to read your child's daily diary and comment on them. We learn a lot about your child from the comments and media that you send to us no matter how little the information or clip is.

TERMLY REPORT

We will send out your child's end of term report via email alongside this Newsletter. Please comment on your child's report as a reply to the email containing the report summary.

CURRICULUM

We will send your child home with their curriculum; this is to keep you informed on what your child is learning weekly and how to help them at home to meet up with their next steps. Having the curriculum will promote continuity of learning opportunities and help you engage more with your child. Only a few parents respond to our home learning activities and let us know what their child's interests has been in their home environment. We encourage parents to keep us informed as much as possible with every little detail regarding what their child has been up to at home.

COMPLIMENTS AND COMPLAINTS

In your baby's days app, at the top where you have the "communicate" tab, you will find a tab for compliments and for complaints. Please feel free to utilize these resources. You have also been issued a complaints procedure for Mon PERE Daycare at the beginning of your contract. Please follow the outlined procedure if required.

Parents are encouraged to please leave us a review on childcare.co.uk (Mon PERE Daycare). Thank you

PUNCTUALITY

We are asking parents to please adhere to their drop off and pick up times to keep the children consistent with their routine. As it is a new session, we have new children joining us with different schedules hence lateness in collecting your child will mean me going over my ratio .

FEES

Our day-care fees remain the same for the 2022 Autumn term however, our home pick up and drop off fares have increased. This is due to the rise in prices of Petrol. Home collection and drop off around a 3mile radius is £5 per trip.

Parents please contact us with any enquiries, suggestions and issues via baby's days, email or phone. we will respond as soon as we are able to. I pray we have a wonderful Autumn term in the LORD.

August, 2022.
